Dear Team Members:

On behalf of the Flight 93 partners and our staff at Flight 93 National Memorial, I would like to sincerely thank you for volunteering your time, energy and talents to improving the temporary Flight 93 Memorial. I am sorry I couldn't be with you that day, but I was on my way to Washington, D.C. for Mother's Day.

Your efforts from our workday will provide visitors to the Memorial an improved walking surface, a freshly painted shelter and significant improvements to the site drainage. We couldn't do our annual maintenance without you.

Thank you for your volunteer services. You have honored the passengers and crew of Flight 93 through your work to make the Memorial an accessible and respectful location for visitors to pay tribute to these heroes throughout the coming year.

Sincerely,

Joanne M. Hanley
Superintendent, National Parks of Western PA
